Dear all,

your paper has been accepted for presentation in one of the Poster Sessions at the 11th Annual Conference of the Italian Association of Environmental and Resource Economists (IAERE) that will be held in Naples on February 23rd-24th, 2023.

Two Poster sessions will be held during the Conference. Posters of accepted research work will be exposed in a specifically equipped room. Details on the Posters preparation will be provided shortly on the Conference web site, and an email will be sent to presenters of accepted posters.

Please note that the acceptance of your paper is conditional to your registration to the Conference. In order for accepted papers to be included in the final programme, presenters of accepted papers must register within January 18th, 2023.

On the conference website you will find all details.

For additional registration information, please contact [iaere@iaere.org](mailto:iaere@iaere.org), while for further information on program, travel and accomodation, please contact [iaere2023@uniparthenope.it](mailto:iaere2023@uniparthenope.it).

We look forward to welcoming you in Naples.

Best regards,

Elisabetta Marzano (chair)

Organizing and Programme Committees
